at home but ready for duty in response to an alarm. According to an unofficial announcement, the state of alert was to last until 18 October 1950. VP personnel believed that the alert was in connection with the October 1950 elections.

25X1X it was learned that the Grenzpolizeikommando in On Gerstungen had been reinforced by 20 police, the Kommando in Lauch-25X1A roeda by 20 police and the Kommando in Abteroda (L 52/H 59) by 9 police. The reinforcement had been ordered to prevent any attempts on the part of West Germany to influence the October elections in the DDR.

25X1A VP personnel conducted major raids in all localities along the zonal border. This was also an effort to prevent any propaganda from West Germank Thirty-six police who raided Grossensee at 4 a.m. on arrested 28 persons and delivered them to the Gerstungen Kommandantur. The police also increased its control 25X1A activity along the Obersuhl-Herleshausen autobahn since 25X1A

25X1A Six VP checkpoints were set up and manned by personnel of the

25X1A

25X1A

Kommandanturen in Lauchroeden and Gerstungen. Increased patrol activity has also been observed along the zonal border since 25X1A

8. The Grenzpolizeikommandos in the Berka (L 51/H 66) area consisted of two to four 9-man Gruppen, the Kommando in Gerstungen having three Gruppen, that in Untersuhl two, the one in Berka four, that in Abertoda four and that in Lauchroeden four. (5)

The Landratsant (building of the Kreis administration) on Mittelstrasse, Nauen (N 53/Z 45), was vacated in _____ The building was later occupied by 150 to 200 police who were said to have been recruits going through a training course for assignment to the Grenzoolizei in Nauen. Three groups of 30 to 35 police each were observed almost daily marching out for field training. The police recruits carried model 98-K carbines while the training personnel were equipped with pistols, compasses and maps. One platoon was recently seen on bicycles and with dogs. (6)

25X1X it was learned that the two VP Kommandanturen in Gerstungen and Lauchroeden had each been reinforced by 20 police. The 25X1A new personnel were detached from the Grenzpolizeibereitschaft in Sonders-

25X1A 11. On 1 the leaves of all VP personnel were cancelled. It was said that the ban on leaves would last until echelon personnel were told that the presence of everyone was required to thwart any West German propaganda efforts aimed at influencing the October 1950 elections in the DDR. Police officers were barred from taking leave for an unspecified period. All VP personnel on furlough at that time were recalled.

25X1A 12. the officers in charge of the Kommandos controlled by the Grenzpolizeibereitschaft in Dermbach (L 51/II 63) were summoned to the Bereitschaft headquarters to report on the situation along the zonal border and to be briefed on measures to be taken against West German propagandists attempting to come to the DDR prior to the October 1950 elections.

25X1A 13. Ona VP colonal, a major and two senior lieutenants, riding in and a Soviet colonel and two captains, 25X1B arrived at the VP Grenzkommandautur in 25X1B Gerstungen. All officers left about 11 a.m. and went to the Soviet komendature : where they stayed until 12:30 p.m.
